

Mariners are advised that bed levelling works are planned at BAE Scotstoun in the River Clyde from 14<sup>th</sup> October 2026 for a period of approximately 5 days. This work will be carried out by the vessel Tioga B supported by survey vessel 66K.

The vessels may be restricted in ability to manoeuvre during operational periods so mariners should navigate with additional care when transiting the area.

A listening watch will be maintained on VHF Ch12.

| Tioga B                                                                             | 66K                                                                                  |
