

# NOTICE TO MARINERS

## №78 – 2024

### PORT OF LIVERPOOL

#### DECOMMISSIONING OF THE WOODSIDE FERRY LANDING STAGE

NOTICE IS HEREBY GIVEN that decommissioning of the Woodside Ferry Landing Stage will commence on 11 November 2024.

The decommissioning will involve removing the passenger bridge and the retaining boom, followed by the removal of the landing stage and its anchors. The crane barge *Lara 1* and several workboats will be deployed during the duration of these works.

From 11 November 2024, and while this Notice remains in force, all vessels must pass the Woodside Ferry Landing Stage at a suitable distance and minimum safe speed through the water to minimize the effects of wash on the landing stage and the vessels undertaking the decommissioning.

A further Notice to Mariners will be issued when the landing stage has been removed.
