

NOTICE TO MARINERS

№61 – 2021

PORT OF LIVERPOOL

EAST ALEXANDRA №2 – DRAIN REPAIRS

NOTICE IS HEREBY GIVEN that to enable repairs to the drain on the east quay of Alexandra №2 Branch Dock, an access platform (5m x 2m) will be fixed to the quay face approximately 10m from the south east corner of the branch dock.

The access platform will be installed on or around 6 September 2021 and will remain in situ for approximately two weeks. During this time, vessels must navigate in Alexandra №2 Branch Dock with due care and caution.

Furthermore, whilst vessels are arriving at or departing from berths in this branch dock, the access platform will be cleared of personnel.

A further notice will be issued when the access platform has been removed.
