DCATS Status	Provide RAG Status and outline any issues with weather or anticipated delays.	55%	
Weather Status:	<p>TODAY: Storm Amy will bring heavy rain and very windy or stormy conditions today. Strong to gale force south to southwest winds, will veer westerly, along with severe and damaging gusts. Winds will increase to storm or violent storm force in western and northwestern coastal areas at times during the afternoon and evening. This morning will see rain from the southwest extend across the country, heavy spells at times, possibly causing spot flooding. That rain will gradually clear eastwards through the afternoon, followed by scattered showers and some brighter breaks. Highest temperatures of 16 to 19 degrees.</p> <p>TONIGHT: Windy with widespread heavy showers or longer spells of rain. Strong to near gale force west to southwest winds will affect the country with gales on northern and western coasts. Cooler with lowest temperatures of 6 to 9 degrees.</p> <p>https://www.met.ie/forecasts/national-forecast</p>
