Reefer Points Available:	Green = under 60% Amber = 60 - 80% Red = Over 80%	50%	
DCATS Status	Provide RAG Status and outline any issues with weather or anticipated delays.	50%	
Weather Status:	<p>TODAY: Heavy rain will continue in the northeast this morning and may cause localised flooding. It will stay dull and damp across the north and east through much of the day as further outbreaks of rain move northwards. Scattered showers will affect the west and southwest and some of those will be heavy. Blustery in the northeast with moderate to fresh easterly winds, light to moderate elsewhere. Highest temperatures will range between 3 degrees in the north and 10 degrees in the south.</p> <p>TONIGHT: Tonight will be mostly cloudy with mist and fog. Patchy rain will continue in northern areas, with scattered showers further south, heaviest and most frequent in the southwest. Winds will become light easterly or variable and lowest temperatures will range from 3 to 7 degrees.</p> <p>https://www.met.ie/forecasts/national-forecast</p>
