| Weather Status:                    | TODAY: Variable cloud and sunny spells today for New Year's Eve, with frost and any fog in the northern half of the country clearing through the morning. Generally dry for much of the day, apart from the chance of a little drizzle near the south coast and with some showers moving into northern coastal parts this evening. Highest temperatures of 3 to 6 degrees, with mostly light variable breezes, gradually becoming westerly and increasing moderate in the north towards evening.<br><br>TONIGHT: Quite cloudy at first tonight with limited clear spells. Outbreaks of rain and drizzle in the north will gradually sink southwards through the night and become patchier by morning, with some showers and more in the way of clear spells following from the north. Cold with lowest temperatures of -2 to +2 degrees with frost and icy stretches developing. Light to moderate westerly winds will increase fresh at times along northern and northwestern coasts.<br><br><a href="https://www.met.ie/forecasts/national-forecast">https://www.met.ie/forecasts/national-forecast</a> |         |  |
