

NtoM 043 - 2026

River Medway – Saltpan Reach

Power Station Intakes – Dredging Operations

NOTICE IS HEREBY GIVEN THAT: dredging operations are due to commence at Isle of Grain Power Station water intakes on or around 17th September 2026 with a projected completion date of 21st September 2026. All dredging will be focussed around the water intake east of LNG jetty 10. and will be carried out by the water injection dredger 'RIJN' which will maintain a listening watch on VHF Channel 74 at all times and display the required signals for respective operations by day and night.

All vessels passing Isle of Grain during the dredging period are requested to navigate with caution reducing speed and wash accordingly.

Further information may be obtained from Medway VTS on VHF Channel 74, call sign "Medway VTS" or telephone 0151 949 6148 or 0151 949 6650 (**Recorded Lines**).
