

## NOTICE TO MARINERS No 27/22 FIRTH OF CLYDE DEPLOYMENT OF HYDROPHONE RECEIVERS

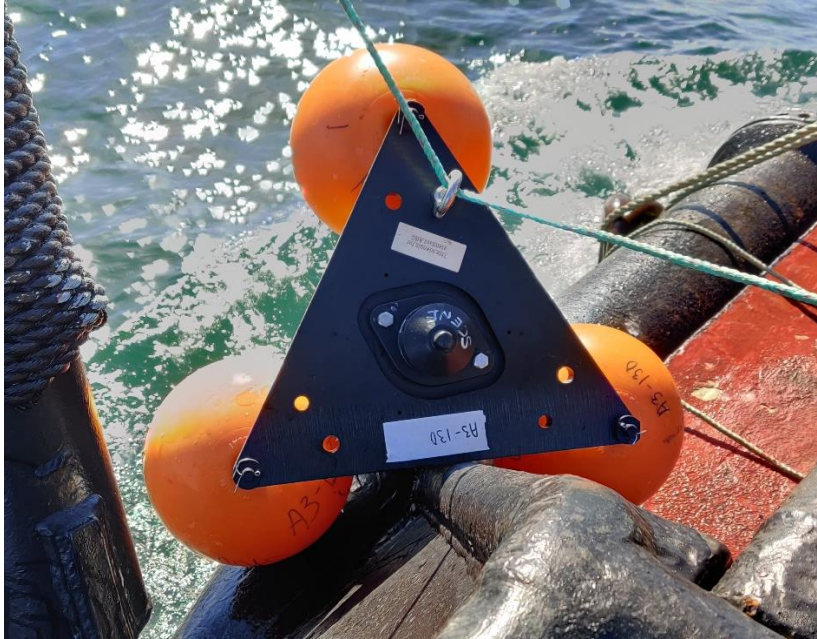

Mariners are advised that Hydrophone Receivers will be deployed using a small workboat at various locations in the Firth of Clyde as illustrated on the following chart extract. These will remain in place until around mid-July 2022.

The receivers will be moored on the seabed (image on left) or attached to channel markers (image on right). They are in place to track salmon smolts and will only detect the specific tag signals. Both types of receiver are shown below. If any of this equipment is found, please retain the equipment and inform the Scottish Centre for Ecology and the Natural Environment phone: 01360870271 or email: [mvlscene@glasgow.ac.uk](mailto:mvlscene@glasgow.ac.uk).
