Schedule of Common User Charges Royal Seaforth Container Terminal

Operative from:
1st January 2022

Schedule of Common User Charges

Royal Seaforth Container Terminal

Terms and Conditions

All operations at Royal Seaforth Container Terminal (“the Terminal”), for which The Mersey Docks and Harbour Company (RSCT) Limited is the Terminal Operator, are undertaken in accordance with the “Standard Terms and Conditions for Container Terminals Operated by Members of the Peel Ports Group” from time to time in force, unless otherwise agreed or varied in advance by the Terminal Operator.

Charges

Unless otherwise agreed in advance by the Terminal Operator, or advised to the contrary elsewhere in this Schedule, the charges payable under this Schedule are chargeable to the relevant Line Operator.

The charges herein are subject to alteration at any time.

The Terminal Operator reserves all rights to introduce an Brexit Surcharge should legislative changes dictate a material change to the Terminal’s operational activity during 2022. This includes but is not limited to the physical presentation of examinations, examination activity and supporting administration.

Definitions

“Midweek Period” and “Weekend Periods” shall mean:

- (a) Loading and discharging containers (Shipwork):
 - 0700 hours Monday to 0659 hours Saturday (Midweek Periods)
 - 0700 hours Saturday to 0659 hours Monday (Weekend Periods)
- (b) Receiving and delivering containers (Logistics):
 - 0500 hours Monday to 0659 hours Saturday (Midweek Periods)
 - 0700 to 1459 hours Saturday (Weekend Periods)
- (c) Other landside operations:
 - 0800 to 1700 hours Monday to Friday inclusive (Midweek Periods)

in each case excluding Bank Holidays and Super Bank Holidays.

“Bank Holidays” include National Holidays (but excluding Christmas Day, Boxing Day and New Year’s Day) and are deemed to start at 0700 hours on the relevant day and be of 24 hours duration.

“Super Bank Holidays” are Christmas Day, Boxing Day, and New Year’s Day.

PART I – OPERATIONAL CHARGES

Where the operations referred to hereunder are performed or provided on a Bank Holiday or outside the relevant Midweek Periods, the overtime charges detailed in Part II shall be payable in addition to the operational charges detailed in Part I.

- (a) For receiving/loading or discharging/delivering ISO in-profile containers to/from a vessel during the relevant Midweek Periods: **£136.65 per container.**
- (b) For receiving/loading or discharging/delivering non-ISO containers (including overweight and overwidth containers which can be safely delivered using a standard straddle carrier) to/from a vessel during the relevant Midweek Periods: **£273.30 per container.**
- (c) For discharging laden containers from a vessel to the quay for subsequently loading onto another vessel at the Terminal, or loading such containers from the quay to a vessel having been discharged from another vessel at the Terminal (transshipment containers) during the relevant Midweek Periods (in addition to the extra move charge at Part III (b) where applicable):

£101.39 per ISO in-profile container or £192.50 per non-ISO or other out of profile container

Note 1: 45ft containers which comply with ISO standards shall be charged as for ISO in-profile containers provided they have lifting points at 40ft, otherwise they will be charged at the relevant rates applicable to non-ISO containers.

Note 2: The charges shown in Part I (c) apply only to those laden containers that have been nominated by the Line Operator by container number, prior to their being discharged at the Terminal from the vessel on which such containers are imported, for export on a nominated vessel/sailing. Where such notice is not given, the charges specified in Part I (a) or (b) as appropriate shall apply for each discharge or load move from/to a vessel.

Note 3: Additional charges shall apply where a non-ISO container cannot be safely delivered using a standard straddle carrier.

PART II – OVERTIME CHARGES

Whenever any work is performed during a Bank Holiday or otherwise outside of the relevant Midweek Periods (“overtime”), the following overtime charges payable in addition to the charges detailed in Part I, Part III and Part V shall apply

- (a) **Loading/discharging containers** **£24.95 per container**

- (ii) A charge of **£40.00** per lift shall apply for any additional container lift required within the Terminal (including but not limited to when a lift is required to change orientation of a container), where such lift is not covered by an inclusive rate.

3. For the transferring of Full/Laden or Empty containers between the Terminal and the L2 Container Terminal, Port of Liverpool (or vice versa) for subsequent load or delivery:

£38.72 per container

4. For the transferring of Full/Laden or Empty containers between the Terminal or the L2 Container Terminal, Port of Liverpool to / from the Rail Terminal for subsequent load or delivery (inclusive of one lift at the Rail Terminal):

£75.00 per container

Note 4: The rates stated above are applicable for all containers requested for transfer between Terminals by the Line via explicit request or implicit necessity to meet the Terminal Operators requirements.

Note 5: 'Rail Terminal' means the railhead owned and operated by the Terminal Operator at Terminal 1 for loading and discharge of containers onto the freight trains.

5. Receiving/delivering Landward Containers

For receiving a container into the Terminal from road or rail transport and then

subsequently delivering such container from the Terminal to road or rail transport (a Landward Container), a charge of **£152.88** per container shall apply.

(f) **ISPS Code requirements**

In the event that the level of security threat in the Port of Liverpool increases at any time, the Terminal Operator reserves the right to levy an additional charge proportional to the increased costs incurred by the Terminal Operator thereby.

(g) **Seal & other ISPS Code related operations** Rate upon Application

(h) **Receiving export containers after the cut-off time** **£32.09** per container

(i) **Transferring containers for HMR&C X-ray scanning**

For transferring containers from/to the container stacks at the Terminal to/from the HMR&C X-ray scanner, a charge of **£75.00** per container/scan shall apply.

Where HMR&C require any sort of physical examination as a result of these scans, the charges in respect of the Terminal Operator's plant and labour performing such work shall be as specified in Part III (k) and (l) and shall be paid in addition to the charge for scanning.

(j) **Transferring containers for Mersey Port Health Authority ID-check**

For transferring import containers to the Border Inspection Post (situated within the Terminal) for MPHA ID-check, a charge of **£60.83** per container, inclusive of up to two container moves, shall apply.

Where Mersey Port Health Authority require any sort of physical examination as a result of these ID-checks, the charges in respect of the Terminal Operator's plant and labour performing such work shall be as specified in Part III (l) and be paid in addition to the charge for the ID-check.

(k) **Examinations by HMR&C and Border Force on import Goods and containers**

For import containers and all other Goods having an Import UCR discharged at the Terminal a charge (as specified below) per Customs import entry shall apply in respect of any examination (but excluding X-ray scanning – for which see Part III (i)) undertaken by HMR&C and Border Force on import Goods and containers, and is inclusive of moving such Goods and containers to/from the examination facility. The charge shall be:

£17.77 per Customs import entry

This charge shall be payable by the nominated agent as recorded in Destin8 at the time the relevant Goods or container is delivered from the Terminal. Invoices in respect of this charge shall be issued by Maritime Cargo Processing PLC as agent for the Terminal Operator.
