

Notice to Mariners N° 22 2025

Diving Operations at Great Yarmouth Power Station River Intake

NOTICE IS HEREBY GIVEN that survey and maintenance works will be conducted on the power station river intakes between berths 5C and 6 (Port Marks 91 – 96) within the Great Yarmouth River Port for two weeks **between Monday 09th June and Friday 20th June 2025**. The works will include diving operations undertaken by Red7 Inshore Diving Ltd between the hours of 0700 hours and 1800 hours Mon-Fri.

Divers will be working from the quay face and within the power station intakes using underwater tools and equipment. The International Code flag 'A' will be exhibited when dive operations are taking place and red flags will be exhibited marking the extremities of the works.

Masters must obtain information from Yarmouth Radio on VHF Channel 12 before approaching or departing from these berths and before any movement or operation of engines or thrusters close to or adjacent to these berths when diving operations are taking place.

Masters are advised to exercise extreme caution when approaching or passing the dive site, to keep well clear of the works area and to pass at the slowest safe manoeuvring speed. Swinging of vessels will not be permitted anywhere within the works area mentioned above.

Further information may be obtained from Great Yarmouth LPS on VHF Channel 12, call sign "Yarmouth Radio" or telephone 0151 949 6648.
