

# NOTICE TO MARINERS

## №25 – 2022

### PORT OF LIVERPOOL

#### PILING OPERATIONS OFF WATERLOO DOCK

NOTICE IS HEREBY GIVEN that, on or soon after 7 March 2022, piling operations will commence in the River Mersey along the River wall between the former Waterloo Lock and the former entrance to Princes Half-tide Dock.

The piling will be undertaken by the jack-up barge *Haven Seariser* supported by workboats from Carmet Marine and, at various times, the floating crane *Lara 1*. These vessels will display the relevant lights and shapes required by the COLREGs and Mersey Channel Collision Rules, as appropriate.

All vessels must give the *Haven Seariser* and its supporting vessels a wide berth and pass at suitable safe speed through the water to minimize the effects of wash and interaction.

This Notice will remain in force until withdrawn. Furthermore, Notice to Mariners №79/2021 is withdrawn.
