Dear Customer,

Fuel Surcharge Quarterly Review – 1st November 2023

Please be advised that the quarterly revision of the fuel surcharge has now been concluded. The fuel prices had initially risen sharply since the last revision, and still remains higher than planned; with an overall upward trend in the subject period. The below chart provides the impact on fuel prices using purchases in January 2022 as the base.

Therefore, the temporary fuel surcharge implemented on 01st May 2022 will remain at its current level and will be reviewed again in three months' time.

Thank you for your continued support.

For and on behalf of the Port of Sheerness

Yours sincerely,

Richard Goffin
