

**NOTICE TO MARINERS No 74/22
FIRTH OF CLYDE – FAIRLIE JETTY
SUBMERSIBLE ROV TESTING OPERATIONS**

Chart 1907

Mariners are advised that submersible testing operations will be conducted from Fairlie Quay Marina between 26th October and 6th October 2022. The submersible will be operated between the hours of 0900 and 1700 local time and will conduct both surfaced and dived operations. At all times a surface support vessel/RIB will be in attendance and operations will be conducted within 2000m of the jetty launch site. Whenever the vessel is dived a surface marker buoy will be attached for visual reference of the surface support team. Communications with the submersible will be established at all times and the surface support team c/s JFD ASRII will monitor appropriate IMM Safety Channels. The working Channel will be IMM Ch 8. A listening watch will also be maintained on VHF Ch 12.

Mariners are requested to navigate with care when transiting this area.
