

9th December 2025

Dear Customer

Port of Sheerness – Port Dues and Charges – Effective from 1 January 2026

The updated schedule of Port Dues and Charges for the Port of Sheerness is now available to download from our website at <https://www.peelports.com/marine/our-ports/london-medway>.

As in previous years, the increase in rates reflects current RPI levels, plus an appropriate supplemental uplift to support various capital investment initiatives (such as infrastructure and technology upgrades), our ongoing plan to be Net Zero by 2040, and legislative changes that are to be implemented in relation to the increase in the commercial rates multiplier for the Port estate.

The Pilots' National Pension Fund (PNPF) supplement applied to pilotage charges will be maintained at its current level for 2026

For any queries, please contact your local sales representative.

Kind Regards

Richard Goffin
