HEYSHAM HARBOUR

PILOT LAUNCH FUEL SURCHARGE

NOTICE IS HEREBY GIVEN that, due to ongoing geopolitical disruptions that have resulted in further increased fuel costs, on and after 1 October 2026, pilotage services requiring a pilot launch will be subject to a revised fuel surcharge of **£134 per boarding or landing operation**.

Vessels requiring the services of an assistant pilot will incur only one fuel surcharge for boarding or landing for both the pilot and the assistant pilot.

The surcharge will be levied in addition to all other applicable pilotage charges.
