

No. 45 – 2021

Medway Approach Channel 2021 Dredging Campaign

NOTICE IS HEREBY GIVEN that: dredging operations are due to commence on or around 22nd November 2021 in the Medway Approach Channel. The campaign is expected to last for approximately 10 days focussing on the area highlighted below and will be carried out by the trailing suction hopper dredger “Ham 316” with assistance from the water injection dredger “Maas”.

NOTICE TO MARINERS

Both “HAM 316” and “Maas” will display the required signals for respective operations by day and night and will maintain a listening watch on VHF channel 74 at all times. When dredging both vessels will be restricted in their ability to manoeuvre, therefore, all passing vessels are requested to navigate with caution.

Further information on the works may be obtained from Medway VTS on VHF Channel 74, call sign “Medway VTS” or telephone 0151 949 6148.

Admiralty Chart No. 3683 refers.
