

Mariners are advised that due to essential maintenance availability of the landline number for Clydeport Estuary Radio may be disrupted on Saturday 22nd November between the hours of approximately 1500-1700.

If the landline number is not available the following mobile number may be used during this period only:

Estuary Radio Operator: 07483-027578
Shift Manager: 07833-441346 if the operator is not available

Mariners are requested to support Estuary Radio by avoiding calling during these times wherever possible. VHF communications (Ch12/16) remain fully operational.
