

NOTICE TO MARINERS

No. 40 – 2022

River Medway - Saltpan Reach

Grain LNG Jetty Inspections

Notice is hereby given that programmed summer maintenance of Grain LNG Jetties 10 & 8 will take place on/around Wednesday 17th August and continue for approximately 4 weeks.

Works will include fender maintenance, pile inspections and cathodic protection checks all of which will be carried out on the waterline.

Craft carrying out the work will be 'Renate II', 'Liftmoor' and the 'Avocet' who will all maintain a continuous listening watch on VHF Channel 74 at all times.

Medway VTS will be contacted prior to works starting every day and a reduction in speed will be required whilst craft access areas along and beneath the jetties. All passing vessels are requested to navigate with caution and reduce their wash appropriately.

Grain LNG Jetties centred at the following approximate positions:

Jetty No.8	51° 25.9309'N	00° 42.1760'E
Jetty No.10	51° 25.9405'N	00° 42.5448'E

Admiralty Chart No. 1834 refers.

Further information may be obtained from Medway VTS on VHF Channel 74, call sign "Medway VTS" or telephone 0151 949 6148 or 0151 949 6650.
