

NOTICE TO MARINERS

No 41 – 2026

PORT OF LIVERPOOL

AIDS TO NAVIGATION ON THE NORTH STAGE AT TRANMERE OIL TERMINAL

NOTICE IS HEREBY GIVEN that, to enable engineering work, from **07.00 on 7 July 2026**, the electricity supply to the North Stage at the Tranmere Oil Terminal will be isolated, extinguishing the aids to navigation on that stage.

The work is expected to be completed by 10 July 2026, and a further Notice will be issued when the aids to navigation have been reinstated.

While the aids to navigation on the South Stage will not be affected, Mariners navigating in the vicinity of the Tranmere Oil Terminal should exercise increased vigilance.
