

NOTICE TO MARINERS No 63/22 PILOT LAUNCH FUEL SURCHARGE

As you will be aware, for the last 6 months global fuel prices have continued to surge. To date the Harbour Authority and operating business have absorbed these significant increases in fuel prices for pilot launches.

NOTICE IS HEREBY GIVEN that, with effect from 20th July 2022, pilotage services requiring the use of a pilot launch will be subject to a fuel surcharge of **£105.00 per pilotage act**.

For the avoidance of doubt, vessels requiring the services of an assistant pilot, in addition to a pilot, will incur only one fuel surcharge for boarding or landing both the pilot and the assistant pilot.

The fuel surcharge will be levied in addition to all other applicable pilotage charges and will be reviewed on a regular basis.
