

NOTICE TO MARINERS

№ 92 – 2025

PORT OF LIVERPOOL

ALFRED DOCK 100' PASSAGEWAY

NOTICE IS HEREBY GIVEN that, with immediate effect, the following restrictions will be in place to enable sill repairs and gate replacement work within the Alfred Dock 100' passageway.

Vessel characteristics

Vessels transiting the 100' passageway will be limited to a maximum beam of 19m and a maximum draught of 6.0m. The acceptance of vessels without operational bow thrusters and with beams of 16m to 19m will be subject to compulsory consultation with a Liverpool Pilot.

Timing of transits

Subject to short-duration possessions that may be required to reposition equipment, transits of the 100' passageway should be possible daily from 20.15 until 06.45 the following day. Outside these times, the passageway will be closed to vessel movements, unless related to the passageway works.

Depending on the length of the possession, details of short-duration possessions that may be required to reposition equipment will be coordinated by the Alfred Dockmaster or covered by further Notices.

Unless notice is given to the contrary, this Notice will remain in force until 23.59 on 5 October 2025.

Notice to Mariners №75/2025 has been withdrawn.
