

Notice to Mariners N° 25 2026

Outer Harbour - Vibrocore Sampling Operations

NOTICE IS HEREBY GIVEN that surface vibrocore sample collection will be undertaken within the Great Yarmouth Outer Harbour during the period

0700 to 1900 on both Thursday 4th June 2026 and Friday 5th June 2026.

The work will be carried out from workboat '**SHAKE DOG**', image below. SHAKE DOG will keep a listening watch on VHF Ch12 while underway in the harbour and seaward approaches.

Information regarding ongoing activity will be available on request from Great Yarmouth LPS on VHF Ch12, station name 'Yarmouth Radio' or telephone +44 (0)151 949 6648.

SHAKE DOG may at times be restricted in their ability to manoeuvre during the sampling works, and mariners are requested to provide advance notice of their intention to navigate within the Outer Harbour to Great Yarmouth LPS in order that disruption can be minimised.

Mariners are reminded to maintain a listening watch on VHF Channel 12 whilst navigating within the Port of Great Yarmouth and to advise 'Yarmouth Radio' of their intention to conduct any manoeuvre within the Port prior to doing so.
