Sheerness Docks

No. 4 Berth Extension Project

NOTICE IS HEREBY GIVEN that: piling work on the Sheerness Docks, No. 4 berth extension project is due to commence on or around 4th April 2025. The piling is expected to take approximately 4 weeks to complete and will follow a set sequence as shown in the plan below. Once each pile is in place, temporary lighting will be established on the structure to illuminate its position. When all piles are in place, work to install the concrete caps and associated walkways will commence.

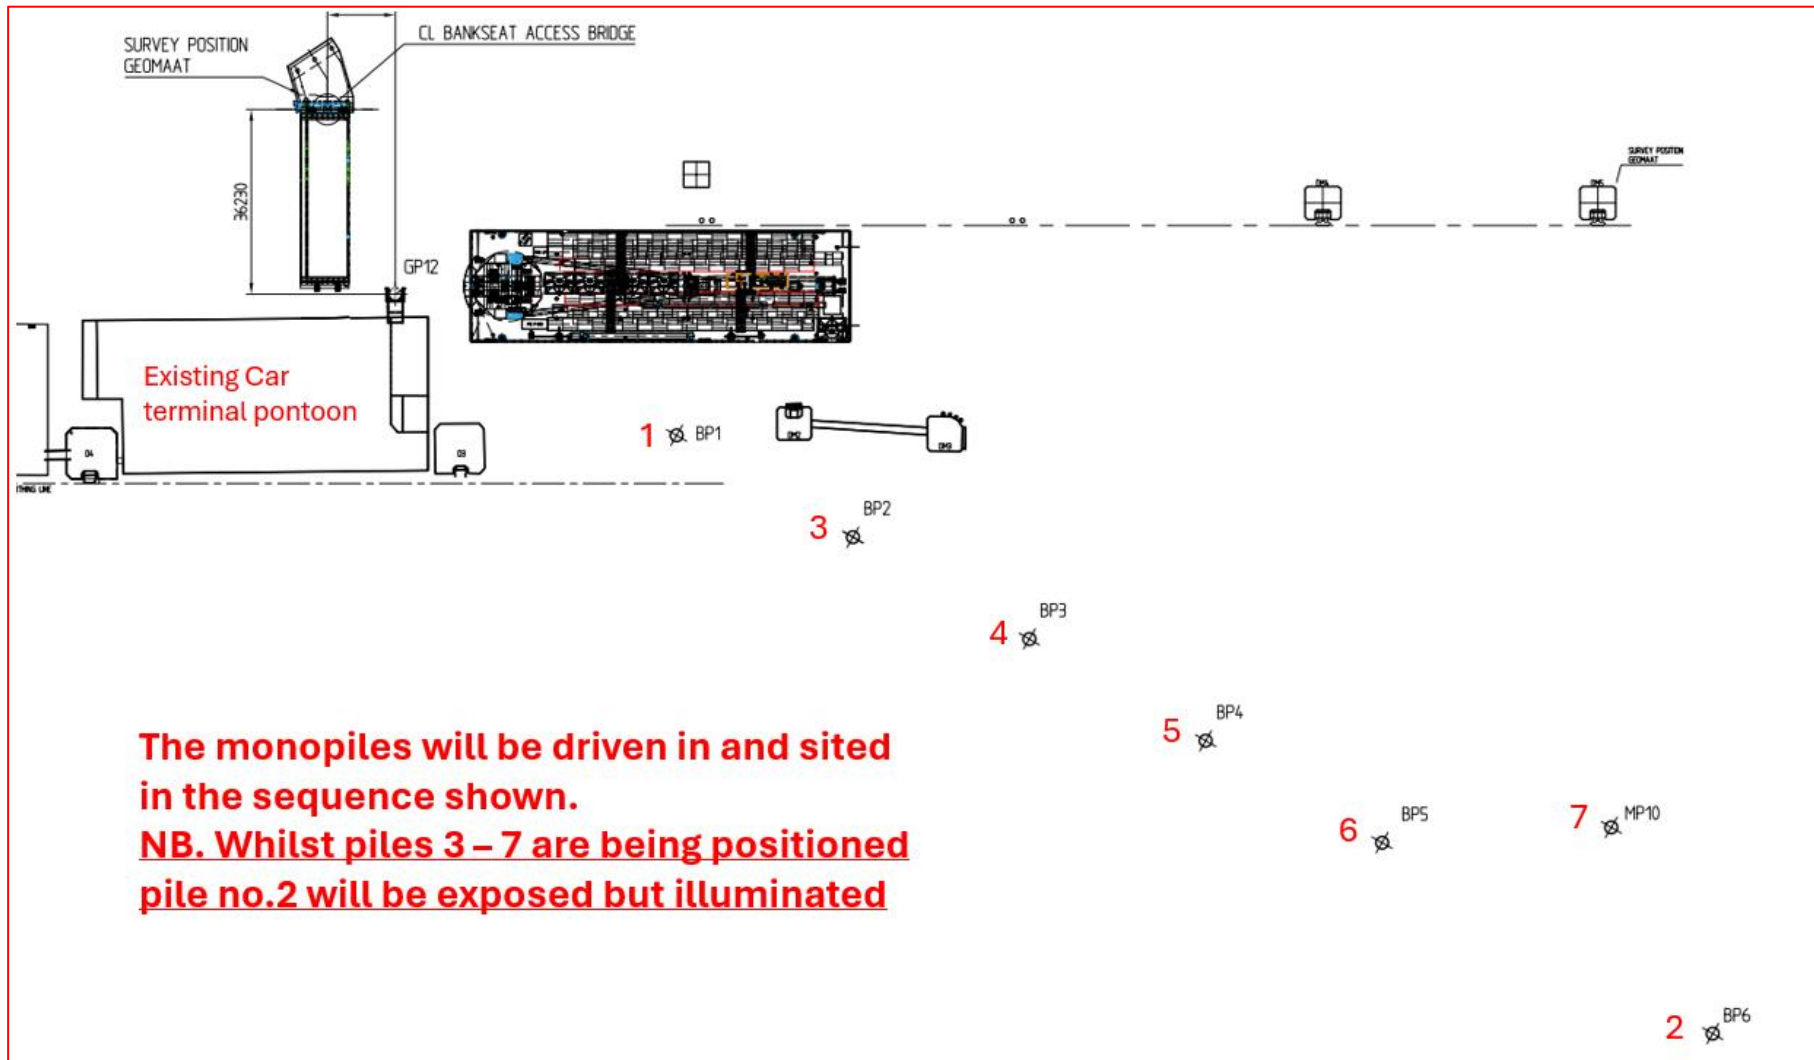

The crane barges “Skylift 2” and “Skylift 3”, assisted by tugs “Feije” and “Knighton” and safety/transfer boat “WSB Recover” will be on site for the duration of the work and will maintain a continuous listening watch on VHF Channel 74 at all times..

All vessels transiting Sheerness Harbour should be aware of the pile structures, which at times will be exposed, navigate with caution and reduce speed and wash accordingly.

Skylift crane barge and Tug Feije

NOTICE TO MARINERS

Issued on behalf of Port of Sheerness Ltd, the Statutory Harbour Authority for the River Medway and The Swale
Telephone calls, VHF radio traffic, CCTV and radar traffic images may be recorded at
the Peel Ports Group Port Control Centre, Liverpool.

NOTICE TO MARINERS

The overall expansion scheme is expected to be completed by the summer of 2025 when the new berth will be commissioned (see illustration below). Updates to this Notice to Mariners will be promulgated as work progresses and additional marine assets arrive on site.

Admiralty Chart No. 3683 refers.

Further information may be obtained from Medway VTS on VHF Channel 74, call sign “Medway VTS” or telephone 0151 949 6148 or 0151 949 6650.
