

# NOTICE TO MARINERS

## No 26 – 2026

### PORT OF LIVERPOOL

#### HORNBY–ALEXANDRA SWING BRIDGE

NOTICE IS HEREBY GIVEN that, to enable engineering work, the Hornby–Alexandra Swing Bridge will be opened and will remain in its open position during the following period:

**12 June 2026 at 17.00**

**until**

**15 June 2026 at 08.00**

During this period, the following must be considered:

1. Vessels must pass the bridge at a minimum safe speed through the water to avoid putting wash into the bridge recess where personnel will be working.
2. A workboat will be operating in the area of the bridge, transporting pedestrians between the east and west sides of the docks.
3. Before passing through the bridge passageway, vessels must obtain permission from the Gladstone Dockmaster on VHF Ch. 5.
4. Vessels inward or outward bound via the Gladstone Lock and requiring mooring services must confirm with their mooring service providers on which side of the lock linesmen will attend.

Unless notice is given to the contrary, this Notice will be withdrawn at 08.00 on 15 June 2026.
