

NOTICE TO MARINERS No 08/23 LOCH FYNE – ENVIRONMENTAL MONITORING BUOYS

Charts 2381 and 2382

Mariners are advised that temporary environmental monitoring buoys will remain in the following positions until approximately mid-April 2023.

N 56°8'21" W 005°12'28"

N 55°53'20" W 005°24'04"

Each position will be marked by an unlit mooring buoy.

Mariners should navigate with caution when transiting the area.
