

NOTICE TO MARINERS

№5 – 2023

HEYSHAM HARBOUR

HEYSHAM №1 BUOY – CHANGE OF POSITION

NOTICE IS HEREBY GIVEN that HPL proposes to reposition №1 buoy (a starboard lateral mark) to mark more appropriately the extension of the 5m contour off the Point of Lune.

The proposal is to reposition the buoy from its current charted position to:

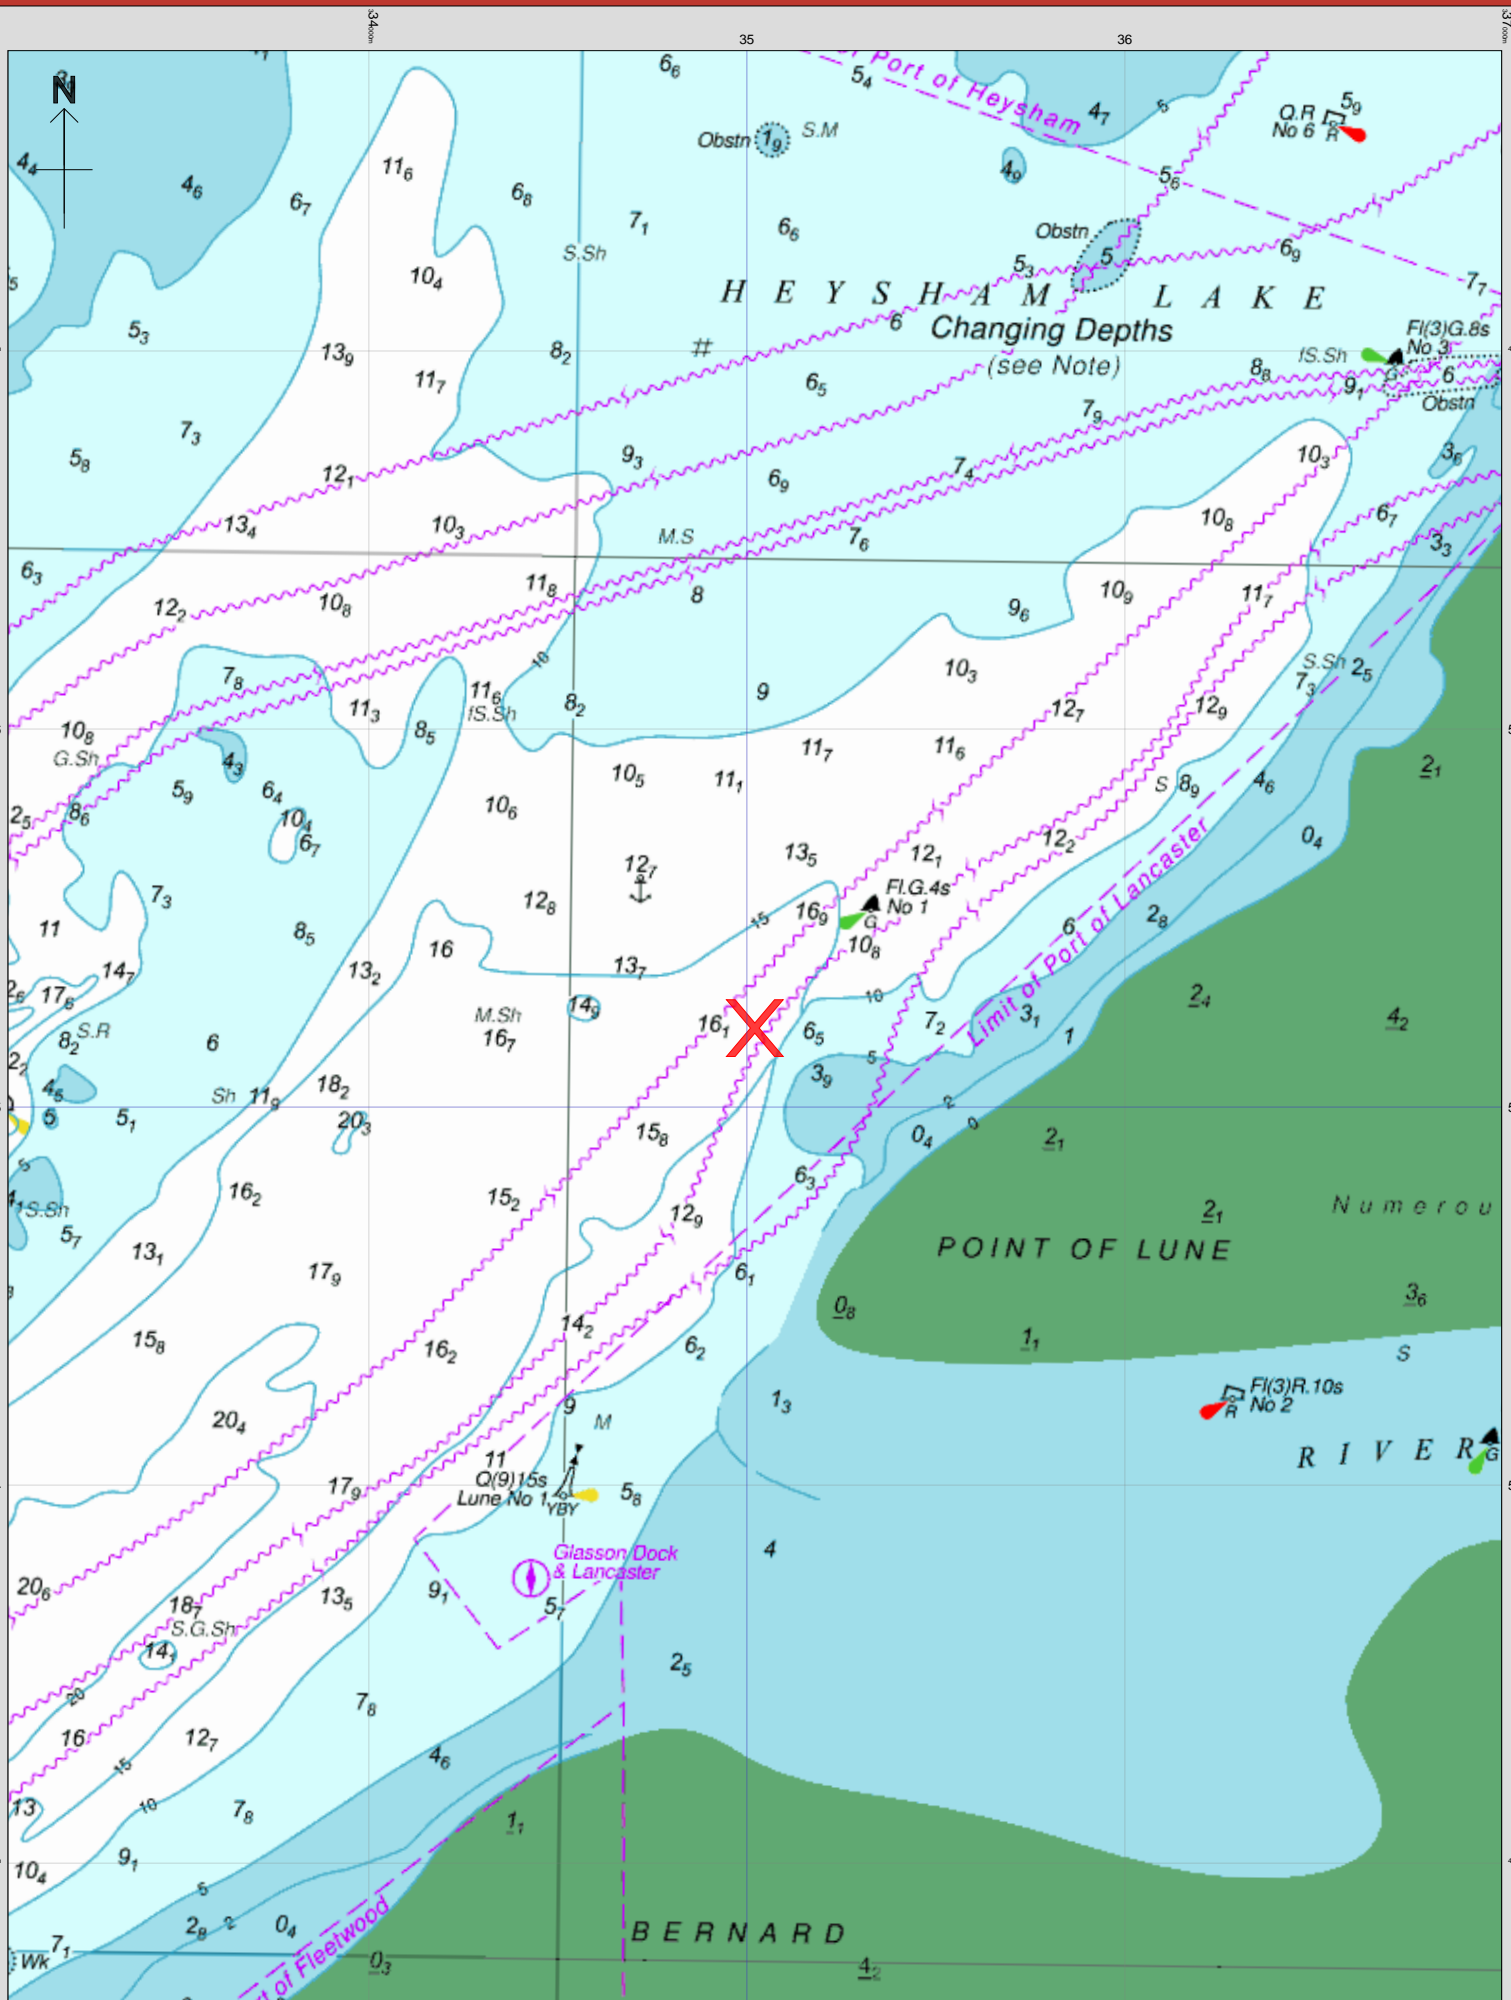

53' 59.33" N 002' 59.55" W

The current charted position of №1 buoy and the proposed reposition (marked by the red X) are shown on the accompanying chart extract.

Notes of objection to this proposed repositioning of №1 buoy must be sent to merseymarinemanagers@peelports.com by 16.00 on 29 September 2023.

Subject to the receipt of substantive objections, the proposed repositioning of №1 buoy should take place during October 2023. However, following the consultation period, HPL will promulgate a further Notice to either confirm the proposed repositioning or HPL's intention not to proceed with the proposal.
