

NtoM 065 - 2024

River Medway – Rochester to Allington Lock

Hydrographic Survey

NOTICE IS HEREBY GIVEN that hydrographic survey work will be taking place between the A2 Rochester Bridge and Allington Lock. The Environment Agency will be conducting survey operations which are expected to commence on or around the 9th of December 2024 with completion anticipated by the end of January 2025. The survey will be carried in two blocks, the first between 9th and 17th of December 2024 and the second between 10th and 16th of January 2025, subject to favourable weather conditions. The survey vessel “Sentry III” will be carrying out the survey work and will be monitoring VHF Channel 74 at all times.

All vessels navigating between Rochester and Allington should be aware of the survey work, navigate with caution and maintain a listening watch on VHF Ch.74 at all times.

Further information may be obtained from Medway VTS on VHF Channel 74, call sign “Medway VTS” or telephone 0151 949 6148 or 0151 949 6650. **(Recorded Lines)**
