

NOTICE TO MARINERS

No. 30 – 2024 (updated 31.05.24)

River Medway – Saltpan Reach Grain LNG Jetty 10 – Maintenance Work

Notice is hereby given that as part of the ongoing programme of maintenance work at Grain LNG Jetty 10, an additional craft will arrive to assist. The “Rodma 3” will arrive on or around 10.06.24 and is expected to be in site until 30.06.24, Rodma 3 will display the required signals for respective operations by day and night and maintain a listening watch on VHF Ch.74

Notice is hereby given that a programme of maintenance work is due to take place at Isle of Grain LNG Jetty 10. Work is expected to commence on Monday 3rd June 2024 and is expected to run for a period of 4 – 5 months. The 1st phase of maintenance will be carried out Monday-Friday only, no work is anticipated at the week-ends and will include shotblasting and painting of all jetty piles from a floating pontoon and the installation of sacrificial anodes by divers. The diving operations section of the programme is expected to start in July 2024. Craft involved will be the ‘Avocet’, ‘Storemoor’ and a small rib tender ‘Retriever’, day signals for respective operations will be displayed by all craft who will maintain a listening watch on VHF 74. The 2nd phase of maintenance is expected to start in March 2025 and a further NTM shall be promulgated in due course.

All vessels passing Grain LNG Jetty 10 should navigate with caution, observe the LNG Jetty exclusion zone at all times and reduce speed and wash accordingly.

Admiralty Chart No.1834 refers.
