

NOTICE TO MARINERS No 77/22 LOCH FYNE – ENVIRONMENTAL MONITORING BUOYS

Charts 2381 and 2382

Mariners are advised that temporary environmental monitoring buoys will be deployed in Loch Fyne on or around 12th October 2022 and will remain in position until approximately mid-April 2023.

The buoys will be deployed from SV Kelpie in the following positions:

N 56°8'21" W 005°12'28"

N 55°53'20" W 005°24'04"

Each position will be marked by an unlit mooring buoy.

Mariners should navigate with caution when transiting the area.

For further information contact Estuary Radio ☎0151-949 6651 or VHF 12.
