

# NOTICE TO MARINERS

## № 124 – 2025

### PORT OF LIVERPOOL

#### WOODSIDE FERRY LANDING STAGE

NOTICE IS HEREBY GIVEN that the new Woodside Ferry Landing Stage has been towed into position and secured to its retaining piles. Commissioning work is underway, but the landing stage is currently unavailable for berthing unless authorized by Mersey Ferries.

The following aids to navigation have been established on the new landing stage:

Light	Position	Characteristic
Northeast corner	53° 23.7604' N, 003° 00.4850' W	Two vertical fixed green lights
Southeast corner	53° 23.7365' N, 003° 00.4685' W	Two vertical fixed green lights

A fog signal (a bell sounding 4 strokes every 15 seconds) will be established as part of the commissioning works. In the meantime, this aid to navigation will be listed as inoperable on the General Situation and Movement Statement.

The temporary aids to navigation that were installed on the retaining piles have been removed, and Notice to Mariners № 12/2025 has been withdrawn.
