PORT OF LIVERPOOL

TEMPORARY CLOSURE OF SANDON HALF-TIDE DOCK

NOTICE IS HEREBY GIVEN that, with immediate effect, the Sandon Half-Tide Dock will be closed to all vessel traffic to enable the installation of a temporary fixed bridge across the passageway to the adjacent Huskisson Dock.

Small craft must not attempt to pass under the temporary fixed bridge because a protective water-level boom will also be installed.

The temporary fixed bridge and boom will remain in place until at least the end of August 2027.
