

Mariners are advised that dredging is planned at Hunter’s Quay Ferry Terminal, Dunoon from 20th April until around 4th May 2026. Dredging will be carried out in the area in front of the ferry linkspans and will be conducted by workboat Challenger which may be restricted in ability to manoeuvre during operational periods.

Divers will be operating from the quayside in support of the dredging works. Vessels navigating in this area should proceed with additional caution and pass at a safe distance.

A listening watch will be maintained on VHF Ch12.
