LOCH FYNE – STRONDOIR BAY FISH FARM
ENVIRONMENTAL DATA BUOY

Mariners are advised that an Environmental Data Buoy has been laid within the existing mooring area of Strondoir Bay Fish Farm in Loch Fyne. A yellow marker buoy will be deployed with the topmark "X" and Fl (5) Y 20s flash sequence. It will remain in position for a period of one year.

Vessels should navigate with additional caution in the vicinity of fish farms.
