

NOTICE TO MARINERS

№ 7 – 2025

PORT OF LIVERPOOL

CANADA 90' SWING BRIDGE

NOTICE IS HEREBY GIVEN that, to enable engineering work, the Canada 90' Swing Bridge will be opened and remain in its open position during the following period:

19 January 2025 13.00 until 16.00

During this period, the following points must be considered:

1. A workboat will be operating in the area of the bridge, transporting foot passengers between the east and west sides of the docks.
2. Before passing through the bridge passageway, vessels must obtain permission from the Langton Dockmaster on VHF Ch. 21.
3. Vessels must pass the bridge at a minimum safe speed through the water to avoid putting wash into the bridge recess where personnel will be working.
4. Vessels inward or outward bound via Langton Lock and requiring mooring services must confirm with their mooring service providers on which side of Langton Lock the linesmen will be attending.

Unless notice is given to the contrary, this Notice will be withdrawn at 16.00 on 19 January 2025.
