

NOTICE TO MARINERS No 93/23

LOCH FYNE – GOB A BHARRA FISH FARM

WRECK RECOVERY

Chart 3746

Mariners are advised that work is underway to recover a sunken feed barge within the charted mooring area of Gob a Bharra Fish Farm in Loch Fyne. Diving is planned to prepare the wreck for recovery and all prescribed lights and shapes will be deployed during dive operations. A separate NTM will be issued in advance of the wreck recovery.

Mariners are requested to navigate with additional caution when passing this location.
