

Mariners are advised that capital dredging is planned at Colintraive Ferry Terminal from Monday 12th October 2026 for a period of approximately 5 days. This work will be carried out by the barges CW-7 and G504, supported by Coastbuster II and workboat Pioneer Multi. Vessels will transit between Colintraive and the disposal site at Rothesay Bay.

The vessels may be restricted in ability to manoeuvre during operational periods. Mariners should navigate with additional care when transiting the area.

A listening watch will be maintained on VHF Ch12.
