Weather Status:	TODAY: It's going to be mostly dry today, with just a few isolated light showers around, mainly in the west and north. It will however, be rather cloudy overall, with just limited bright or sunny spells. Highest temperatures of 17 to 21 or 22 degrees in light westerly or variable breezes. TONIGHT: It'll continue mostly cloudy tonight, with just a few clear breaks likely further east. While there'll be a lot of dry weather, there'll be a few isolated light showers around and a little patchy light rain and drizzle will move in from the west, to mainly affect parts of the southwest, west and northwest. There'll be some hill and coastal mist and fog too, in the southwest, west and northwest. Lowest temperatures of 11 to 16 degrees in light variable or southerly breezes. https://www.met.ie/forecasts/national-forecast
