

NOTICE TO MARINERS

No55 – 2023

PORT OF LIVERPOOL

LIVERPOOL BAY GEOPHYSICAL SURVEYS

NOTICE IS HEREBY GIVEN that the *Fugro Seeker* (call sign 2HCS2) will be performing geophysical surveys in Liverpool Bay that are within the limits of the Port of Liverpool. These surveys form part of a larger package of surveys of the oil and gas assets in Liverpool Bay.

From 12 May 2023 for up to thirty days (subject to weather), and during daylight hours only, the *Fugro Seeker* will conduct surveys around the Lennox offshore platform. The coordinates of the vertices of the survey area are:

53° 38' 19.93" N 003° 11' 57.87" W

53° 37' 02.99" N 003° 11' 09.64" W

53° 37' 37.53" N 003° 08' 30.48" W

53° 38' 54.62" N 003° 09' 18.64" W

The survey area is marked in red on the accompanying chart extract.

Whilst conducting surveys, the *Fugro Seeker* will be restricted in its ability to manoeuvre. All vessels must maintain a suitable distance from the *Fugro Seeker* and, where possible, avoid entering the defined survey area.

This Notice will remain in force until completion of the surveys around the Lennox offshore platform.
